

ECO-OOSH IN ACTION

A whole-of-centre approach to sustainable living

A practical environmental education resource for primary age children.

Inspirational ideas for activities covering:

- ☀ Biodiversity
- ☀ Ecology
- ☀ Sustainability
- ☀ Participation
- ☀ Community Involvement

Written for OOSH (Out of School Hours) Centres, this publication is a valuable resource for primary school teachers, environmental educators and anyone interested in encouraging children to understand and care for the natural world.

Available from:

Network of Community Activities
